Achievement Against the Odds Award

The International Union of Psychological Science's Achievement Against the Odds Award seeks to honor a researcher or team of researchers who succeeded in conducting research under extremely difficult circumstances, possibly involving great personal risk or hardship to the greater good of scientific research, the scientific community, and/or the public at large.

This award is related primarily to attributes such as resiliency against extraordinary odds; particular importance will also be given to the long-term impact of the work in question.

Presentation of the award will be at the 32nd International Congress of Psychology (ICP) in Prague, Czech Republic, July 2020. The awardee will also be invited to present an address at the Congress. Funds to cover travel and accommodation related to attending the award ceremony will be provided.

The Award Jury will be appointed by the Union and will comprise distinguished scholars in the field.

Nomination forms can be found at:

<http://www.iupsys.net/about/awards/achievement-against-the-odds-award.html>

Nomination Process

Nominations should include the following documents:

- a completed nomination form
- curriculum vitae and current contact details of the nominee(s) full list of publications, grants and awards
- one primary and two supporting letters of recommendation outlining the merits of the nominee from scientists familiar with the nominee's research and theoretical writings.

The primary letter of nomination should also address the following questions:

- What circumstances make this scientist/team eligible for this award?
- What are the general themes of the nominee's research program?
- What important research findings are attributed to the nominee?
- What has been the significant and enduring influence of the research?

Nominations should be submitted electronically to the Secretary-General of the Union, Dr Ann Watts (anndwatts@iafrica.com) and to the Chair of Awards, Past President, Professor Saths Cooper, (scooper@kenako.org). Please make the message subject header: IUPsyS Achievement Against the Odds Award 2020.

Nominations should be received by **May 31, 2019**.

Incomplete or late nominations cannot be considered.
