The International Union of Psychological Science (IUPsyS), the global voice of psychology, is pleased to invite you an historic webinar with our Regional Member, the European Federation of Psychologists' Associations (EFPA) and our National Member, The Turkish Psychological Association (TPA).

## **Title: National Psychological Organisations: Foundations of Global Humanitarian Action in Crises**

**Tuesday, May 16, 2023**

**15:00-16:30 UTC**

The importance of documenting and facilitating national psychology organisations' responses to crises has been emphasised in a recent IUPsyS consultation exercise, the IUPsyS Call for Comments on Policy on Human Crises. The imperative for action was further highlighted in the recent Psychological Science Diplomacy© forum with National and Regional Members and Affiliates. The International Union of Psychological Science (IUPsyS), the global voice of psychology, is pleased to invite you an historic webinar with our Regional Member, the European Federation of Psychologists' Associations (EFPA) and our National Member, The Turkish Psychological Association (TPA).

The objectives of this webinar are twofold: to highlight the significant contributions of national psychology organisations' during periods of crisis; and to support the humanitarian efforts of the Turkish Psychological Association (TPA), which is engaged in a major crisis response following the series of earthquakes in February, 2023.
