# 2024 IUPSYS QUADRENNIUM AWARDS CALL FOR NOMINATIONS

**Nomination Deadline Extended To October 1st, 2023**

The International Union of Psychological Science, the global voice of Psychology, is pleased to issue a call for nominations for its five prestigious global awards.

- **Lifetime Career Award**

*Honors distinguished and enduring lifetime contributions to international cooperation and advancement of knowledge in the field of psychological science.*

- **Major Advancement in Psychological Science Prize**

*Recognizes a contribution that represents a major advancement in psychological science by a scholar or team of scholars of high international reputation.*

- **Archbishop Desmond Tutu Achievement Against the Odds Award**

*Honours a researcher or team of researchers who succeeded in conducting research in psychological science under extremely difficult circumstances.*

- **Young Investigator Award: Basic Science**

*Recognizes a significant contribution to psychological science by young post-doctoral scientists. There are separate awards for Basic and Applied Science.*

- **Young Investigator Award: Applied Science**

*Recognizes a significant contribution to psychological science by young post-doctoral scientists. There are separate awards for Basic and Applied Science.*

Each award is considered by a separate independent global jury of distinguished psychological scientists. Nominations and decision-making are confidential to those juries.

Only National Members can submit nominations for the Awards and the IUPsyS Secretariat is responsible for administration of the process.

**Award Recipients' Notification - January 10th, 2024**
