

2024 IUPSYS QUADRENNIAL AWARDS ANNOUNCEMENT

LIFETIME CAREER AWARD

JOHN W BERRY

PSYCHOLOGY'S GLOBAL VOICE
CELEBRATING 135 YEARS

The International Union of Psychological Science is pleased to showcase each of the prestigious 2024 Quadrennial 2024 Awards Winners. The Awards will be conferred at the 33rd International Congress of Psychology (ICP2024), Prague, Czech Republic, from July 21 – 26, 2024, where IUPsyS will also celebrate 135 years since the inaugural ICP was held in Paris, France, in 1889.

IUPsyS' *Lifetime Career Award* honours distinguished and enduring lifetime contributions to international cooperation and advancement of knowledge in the field of Psychological Science.

The goal of the award is also to bring the work of such distinguished scientists to the attention of a broader audience and to promote the contribution of psychology as a discipline.

Professor John W. Berry is an outstanding recipient of this award. The Canadian National Committee for IUPsyS, who nominated Professor Berry, noted in their nomination that:

“

Professor John W. Berry is an outstanding choice for the award because of his exceptional and enduring lifetime contributions to international cooperation and advancement of knowledge in the field of Psychological Science. Professor Berry has contributed significantly to the development of cross-cultural and intercultural psychology over the past 50 years. Recognised as a founder of these fields, he has developed the ecocultural framework that conceptualises the links among habitat, culture, and individual behaviour.
