

2024 IUPSYS QUADRENNIAL AWARDS ANNOUNCEMENT

The International Union of Psychological Science is pleased to announce the 2024 Quadrennial Awards Winners.

The prestigious IUPsyS Quadrennial Awards are the pre-eminent psychology awards in global psychological science. They are based on nominations from the Union's National Members, which represent psychologists in more than 90 countries. The jurists for each award are distinguished scientists who represent multiple specialties in psychological science and countries around the world.

Please join the Union and the global psychological community in celebrating their exceptional scholarship and contributions to psychological science.

The Awards will be conferred at the 33rd International Congress of Psychology (ICP2024), Prague, Czech Republic, from July 21 - 26, 2024, where IUPsyS will also celebrate 135 years since the inaugural ICP was held in Paris, France, in 1889.
